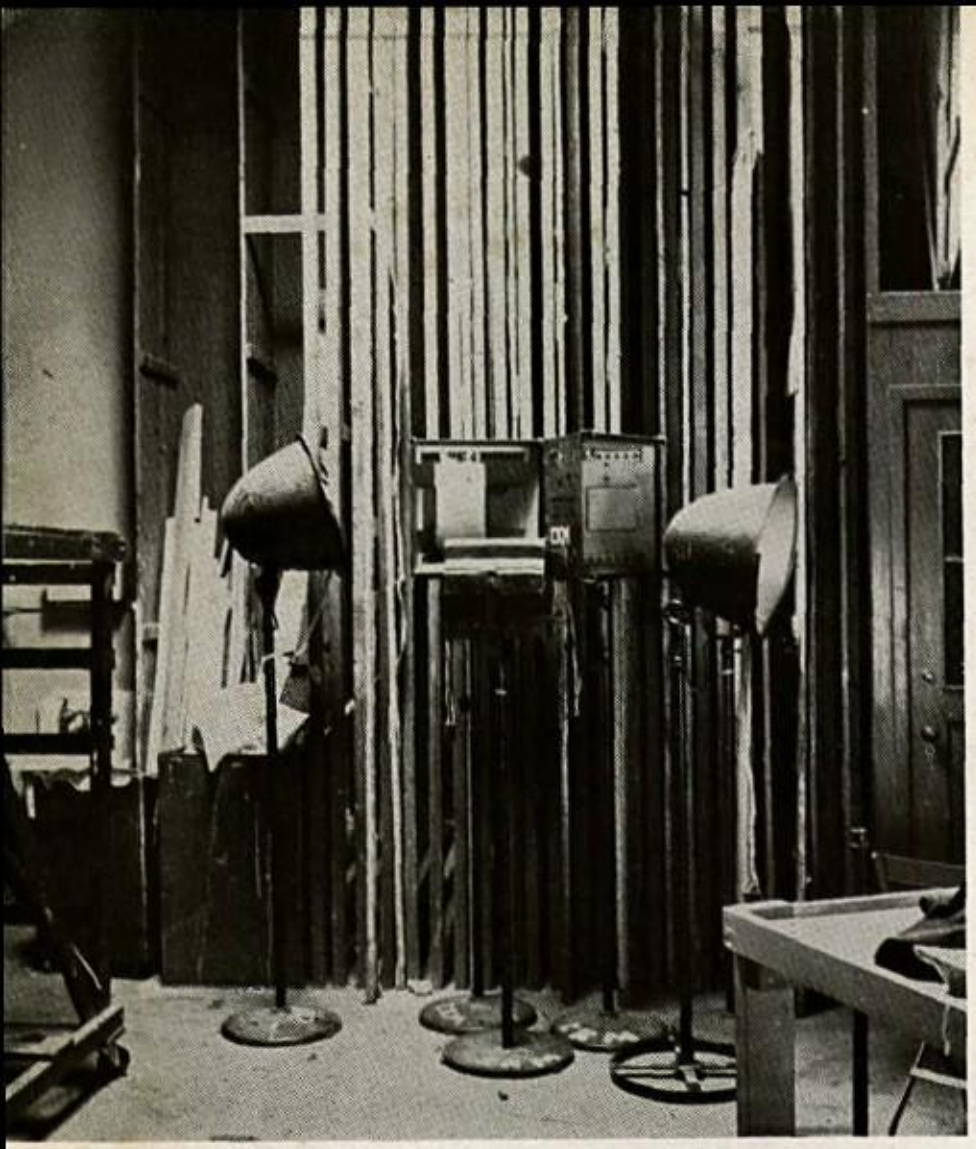
SENIOR BANQUET FEBRUARY

The fall senior banquet was held on the evening of January 27, 1958. The banquet was one of several occasions planned especially for the graduating seniors, providing a means of celebration that they may look back on in the future as happy and stimulating memories.



STAGE AND SOUND CREWS

The members of the stage and sound crews are the boys who work behind the scenes on the technical side of the assemblies, variety shows, and senior plays. These boys volunteer their services for these school productions and by doing so they gain valuable experience in this field of work for later life. Without the work of the stage and sound crews, the shows could not go on.
